

# Bible Chatterbox

by Marielle and Christine Hides

How to use this tool to discuss the Bible:

1. Cut along the dotted lines and fold the solid lines to form a "cootie catcher."
2. Choose a Bible passage to read. Before you open your Bible, pray a prayer like this one:  
*Loving God, as I read my Bible, fill me with wonder so that I might discover who you are. Amen.*
3. To start discussion, choose a word from the outside squares; flip the folded paper back and forth the same number of times as there are letters in the word (for example, flip 4 times for "read"). Next, choose a word from the inside triangles that are showing and flip the paper back and forth the same number of times as letters in the inner word (for example, flip 6 times for "connect"). Finally, choose a triangle to open. Read the question underneath and discuss.
